Attorney Docket No.: Q95291

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant encloses herewith a copy of a Communication from a foreign patent office in a counterpart application citing such documents (European Office Action dated November 26, 2008), together with an English-language version (if not already included) of at least that portion of the Communication indicating the degree of relevance found by the foreign patent office. Also, an English language abstract, submitted herewith, constitutes a concise statement of relevance for EP-A0-1 507 795.

Further, it is noted that WO-A-03/044044, cited in the European Office Action, was previously listed on the PTO/SB/08 form submitted with the Supplemental Information Disclosure Statement filed in the U.S. Patent and Trademark Office on February 23, 2007, along with a copy of the foreign reference.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.
